

PRECAUTIONARY STATEMENTS

CAUTION. HARMFUL IF SWALLOWED. Not normally irritating to skin. Irritating to eyes.

GENERAL INFORMATION

This product is a specially formulated water clarifier. It helps remove small particles from the water by joining them together, allowing the filter to remove them. This product restores the sparkle to dull looking water.

DIRECTIONS FOR USE

After dosing, always allow 24 hours of continuous filtration before further additions. **SHAKE WELL BEFORE USING.** Using a suitable test kit, maintain free chlorine at 1.0 to 3.0 ppm and pH at 7.2 to 7.6.

FOR PREVENTION OF CLOUDY WATER

SWIMMING POOL

1. After backwashing filter, add 4 fl. oz. of **Water Clarifier** per 10,000 gal. directly to skimmer.
2. Repeat dose once-a-week.

HOT TUB OR SPA

1. After backwashing filter, add 1/2 capful of **Water Clarifier** per 400 gallons directly in front of water inlet for maximum dispersion.
2. Repeat dose once-a-week.

FOR EXISTING CLOUDY WATER

SWIMMING POOL

1. After backwashing filter, add 1/2 qt. of **Water Clarifier** per 10,000 gal. directly to skimmer.
2. Add additional doses as necessary to clear water, allowing 24 hours of continuous filtration between additions.

HOT TUB OR SPA

1. After backwashing filter, add 1 capful per 200 gallons in front of water inlet for maximum dispersion.
2. Repeat dose as needed to clarify water, allowing at least 24 hrs. of continuous filtration between doses.

STORAGE AND DISPOSAL

STORAGE: Keep container tightly closed. Do not contaminate water, food, or feed by storage or disposal. **CONTAINER DISPOSAL:** Completely empty container of contents. Do not reuse container. Wrap and put in trash.
