

KILL MUSTARD ALGAE...

✓ Without making a second trip

Kill mustard algae in a single service call. A stable chlorine reading after treatment means you don't have to make a second trip to the pool.

✓ While Saving BIG \$\$\$ on shock

Save big bucks on chlorine by using only a single shock treatment. That means less money spent on chasing a chlorine reading and more in your pocket.

✓ And wowing with results in 24 hours

Wow your customers with fast results. Give your customers a clean pool in 24 hours or less.

ChlorineBoost™

The secret behind Yellow Treat®² is **ChlorineBoost™** - the patented mix of ingredients that accelerates and stabilizes chlorine with **no cyanuric acid**.
